Manual Bead Roller for Coats 50xx and 60xx Series Rim Clamps

This manual bead roller hooks into the tool head and helps you keep leverage on stiff sidewalls. This keeps them in the drop center during mounting operations, avoiding bead tearing. Can be added to any Coats 50 series or 60 series rim clamp.

PART NUMBER	DESCRIPTION	REGULAR PRICE	SPECIAL PRICE	DISCOUNT
8184052	Manual Bead Roller Kit	\$264.96	\$238.10	10%

Wheel Balancing Accessories

UP TO 39% OFF

Wheel Lift for Balancers, Fits Almost Any Brand or Model

Lifting heavy wheel and tire assemblies to the balancer has always been a strenuous activity. But the Coats wheel lift takes the grunt out of the job. Simply roll the wheel on the lift plate and lift away! This fast system will work on almost any balancer in the field today, but is best paired with Coats balancing equipment.

PART NUMBER	DESCRIPTION	REGULAR PRICE	SPECIAL PRICE	DISCOUNT
8111934	Wheel Lift for Balancers	\$2,963.93	\$1,817.53	39%
8113592	Link Plate for 520	\$275.00	\$230.00	16%

Mobile and Fixed Pin Plate Systems

Many wheel center holes ARE NOT the true center point of the wheel because they're designed to fit more than one vehicle. These "Lug Centric" wheels need special adapters to prevent balancing errors. That's why Coats offers a wide array of precision, lug centric Pin Plate Sets for your balancer. Choose a wall mounted system or the mobile Balancer Mate on casters. Our pin plates make sure your zeros are true every time.

PART NUMBER	DESCRIPTION	REGULAR PRICE	SPECIAL PRICE	DISCOUNT
8kppbm28	Pin Plate Set, w/Balancer Mate, 28mm	\$1,452.57	\$1,259.83	13%

8113842	Pin Plate Set, w/Wall Panel, 40mm	\$1,456.70	\$1,259.83	14%

Improved Light Truck Cone Kit

Light trucks are a special application that require the proper cones to center up on the balancer. Don't take a chance with a "will fit" setup. Use a true light truck cone set to keep those zeros honest.

SAVE 30%

PART NUMBER	DESCRIPTION	REGULAR PRICE	SPECIAL PRICE	DISCOUNT
8113276C	Light Truck Cone Kit for Models 850, 950, 1025, 2000	\$468.05	\$327.30	30%

Slide Nut Makes Mounting Faster!

Coats slide nut makes mounting wheels faster and easier. No more endless spinning of the lock nut... just hold the button and slide it down the balancer shaft, then release for final tightening. This can really be a time saver when volume is high.

SAVE 8%

PART NUMBER	DESCRIPTION	REGULAR PRICE	SPECIAL PRICE	DISCOUNT
85009996	Slide Nut, 28mm	\$296.36	\$273.99	8%
85009998	Slide Nut, 40mm (for all Coats balancers except XR models)	\$296.36	\$273.99	8%

Ammco Tools and Accessories

Ammco Brake Service Tools

Ammco's Environmental Lathe Enclosure (ELE) prevents machining byproducts like brake dust and metal chips from entering the shop. It also cuts down on noise levels and acts as a guard when in operation. The Deluxe Brake Washer is the best method for wetting and washing away brake dust during service.

PART NUMBER	DESCRIPTION	REGULAR PRICE	SPECIAL PRICE	DISCOUNT
902800	Environmental Lathe Enclosure (ELE)	\$1,525.78	\$1,156.38	24%
601450	Deluxe Brake Washer	\$737.11	\$593.81	19%

UP TO 63% OFF

Ammco Premium Quality Micrometers

Ammco's digital and standard micrometers are precision instruments you can stake your reputation on. Large digital readouts (on electronic models) help you explain rotor and drum thickness to customers. Plus, they are every bit as tough as our legendary brake lathes.

PART NUMBER	DESCRIPTION	REGULAR PRICE	SPECIAL PRICE	DISCOUNT
902760 (-50)	Rotor Micrometer, SAE 0-2.25" or -50 for Metric 0-57mm	\$312.37	\$257.75	17%
